

Year 6 Wye Class – Home Learning W/C 30th March 2020

Please see below the tasks to be completed for the week commencing 30th March 2020. We are going to be moving many of the work tasks to exciting online platforms and also bringing in a few more different elements to the home learning which will be very engaging. We will also still be setting some tasks from your CGP books. You will receive details of your individual log in details for your new MyMaths and Times Table Rock Star account and also how to access our Accelerated Reader Quiz page and online reading books separately.

Class Twitter Page – If you are not already following our class Twitter page, I urge you to do this straight away. This is a great tool (especially with our distant learning) to continue the engagement, share work and feel connected. Twitter is free to register on to and you don't have to be active yourself other than following and engaging with our class page. Please follow our Class Page **@Wye_WPA** and our main school page **@WatersidePA**

Morning Exercise – We highly recommend getting up and active in the mornings before starting your work. We highly recommend getting involved in the morning Joe Wicks LIVE workout on YouTube or doing your own home exercises. Again, we would love to see how you are keeping fit so share with us to our Class Twitter page.
