

Home Learning Year 6 Wye Class –
Week Commencing 13th July 2020

Dear Parents/Guardians and Year 6,

We are now entering your final week of Primary School! We are inviting all of Year 6 to come to school on **Friday 17th July for a Year 6 'Fun Day' from 10am – 1pm**. This will start with a mini sports day ran by Mr Yearwood and then end with time for something to eat (we will be providing pizzas!) and time to say goodbye to each other, sign shirts etc. This will be done all on the field outside with social distancing measures still adhered to but a nice way to have a final goodbye.

I am also extremely keen to organise and put together a video to celebrate your time here at Waterside. **For this I really need your help to create a special video.** What I would love is for all of Year 6 to film and send in a short video message. This could be to say thank you to Waterside, Staff and what you have really enjoyed about your time here. I would be looking at no more than 20 seconds so be creative! Thank you to those people who have already sent theirs in! **When completed please send you video message to office@watersideprimaryacademy.org.**

Please see below the details for this week's Home Learning tasks and as always, please do keep us updated on how you are getting on via our class Twitter page [@Wye_WPA](https://twitter.com/Wye_WPA).

Take care and keep safe,

Mr Waters

LEAVERS VIDEO – WE NEED YOUR HELP!

We are wanting all of you to film a goodbye message that we will be editing together to create one big video to celebrate your time here at Waterside. I would really appreciate it if this week you can do a video of what you have really loved about being at Waterside, keeping it less than around 20 seconds if possible, please!

Also, if you have any photos of when you were younger at Waterside please do send them in as these will be also brilliant to use in our video!

Email – Your leavers video message and any photos to office@watersideprimaryacademy.org

Class Twitter Page – Please follow our Class Page **@Wye_WPA** and our main school page **@WatersidePA** . The engagement on this is increasing extra week and is great to keep the interaction between all of us!

Morning Exercise

– We highly recommend getting up and getting active in the mornings before starting your work. Getting involved in online classes

e.g. the morning Joe Wicks LIVE workout on YouTube or doing your own home exercises. You could also mix this in with a morning yoga session or doing your own creative version of the morning mile! Again, we would love to see how you are keeping fit so please do share with us on our Class Twitter page.

Talk 4 Writing Unit – This week you will be continuing working through the Talk 4 Writing Unit called ‘Treasure’. You can find this Year 6 unit via this website link and the activities to complete are stated in the days below.
<https://www.talk4writing.com/home-school-units/>
