

Year 3/4 Chess Home Learning for the Week Beginning 1st June 2020

Dear Parents/Guardians, please see below the home-learning tasks for the w/c 1st June 2020.

I hope you all had a happy and safe half term. Were you able to get out in this glorious weather? I've been trying to get a lot of garden projects done including painting sheds and fences. If you have been following the Waterside Twitter feed you will know that JK Rowling will be releasing chapters of her new book, **The Ickabog** from now until 10th July. To catch up, read the latest chapters and find out about the exciting competition being held for children to illustrate it (the winners will have their illustrations included when the book is published in November) click on this link <https://www.theickabog.com>

Class Twitter Page – Is a great way to stay in touch, share work and feel connected. Thank you to those of you who have been interacting with our class page. It has been great to see the work you have been doing at home. Keep posting pictures and leaving comments.

If you are not already following our class Twitter page, I urge you to do this straight away. Twitter is free to register on to and you don't have to be active yourself other than following and engaging with our class page which is **@Chess_WPA** and our main school page **@WatersidePA**

Maths - Please follow the **BBC Bitesize** Maths lessons and the **MyMaths** tasks (These will be available until Sunday 14th June 2020.)

Year 3: Finding Fractions

Year 4: Adding and Subtracting Fractions

Keep going with your **Times Tables Rock Star** challenges.

English - We have some new **Talk 4 Writing** booklets. I hope you enjoy them.

Year 3: Journey to the Jungle <https://www.talk4writing.com/wp-content/uploads/2020/05/Y3-Jungle.pdf>

Year 4: Mission Possible <https://www.talk4writing.com/wp-content/uploads/2020/05/Y4-Mission.pdf>

I would also encourage you to look at the grammar sessions on BBC Bitesize

BBC Bitesize - These are fun, accessible lessons and can be found each day from 9:30am using the red button or can be found on BBC iPlayer <https://www.bbc.co.uk/bitesize/dailylessons> . Click on to your year group then find that day's lessons. If you find any of this too hard, don't be afraid to go to a younger year group. It is much more sensible to plug holes and consolidate previous learning, as you will feel more confident moving forwards, than struggling with something you don't properly understand.

Reading – If you are stuck for ideas for new reading books, I have attached links to suggested year group lists below.

<https://schoolreadinglist.co.uk/reading-lists-for-ks2-school-pupils/reading-list-for-year-3-pupils-ks2-age-7-8/>

<https://schoolreadinglist.co.uk/reading-lists-for-ks2-school-pupils/suggested-reading-list-for-year-4-pupils-ks2-age-8-9/>

Creative Task – Create your own country. What is its name? Design its flag. What is its currency? You are the King or Queen. What rules or laws will you pass (What will you encourage your citizens to do? What will you ban?) Draw the castle/palace that you live in. Design the ceremonial uniform of your guards.

Over and above challenge:

Can you write a national anthem for your country (and sing it!)

Suggested schedule for this week:

Monday 1st June 2020

Maths - BBC Bitesize – Y3: Fractions on a number line below 1
Y4: Adding fractions
MyMaths website

Times Table Rockstar Website - Garage or Arena
