

Year 1 Ver Home Learning for the Week Beginning 13th July

This is our last week of home learning! Well done for all of the hard work you have put in over the last few weeks. You have produced some fantastic work and we are all very proud of you for working so hard!

This week, we would like you to reflect on your time in Year 1, and think about what you are looking forward to in Year 2. This can be done in any way that you choose. You might want to make a poster, produce a piece of writing, or even make a video- it is up to you! We would like you to tell us about the things that you have enjoyed the most in year 1. You might want to talk about making new friends, something that you have enjoyed learning about, or maybe taking part in the Nativity play. Have a really good think about what you have enjoyed. Then, we would like you to think about what you are looking forward to in September. This might be your new classroom, or seeing your friends again after the summer! Please share these with us on twitter if possible as we would love to see them.

For maths, please continue to work on your 2, 5, and 10 times tables.

Thank you for all of the effort you have put in, and for taking part in the home learning. Have a good break over the summer – you deserve it!

Miss Peel and Miss Duggan
