

Year 3/4 Chess Home Learning for the Week Beginning 4th May 2020

Dear Parents/Guardians, please see below the home-learning tasks for the w/c 4th May 2020.

Thank you again for all your efforts with the new home schooling routines. What Ofsted rating would you give your establishment? – I have seen quite a range of self-evaluations by parents on social media (including one former inspector failing himself!) Please don't be too hard on yourselves, you are all doing a fantastic job in difficult circumstances. I really hope you are all well and happy and are finding ways of safely keeping in touch with one another.

Class Twitter Page – Is another great way to stay in touch, share work and feel connected. Thank you to those of you who have been interacting with our class page. It has been great to see the work you have been doing at home. Keep posting pictures and leaving comments.

If you are not already following our class Twitter page, I urge you to do this straight away. Twitter is free to register on to and you don't have to be active yourself other than following and engaging with our class page which is **@Chess_WPA** and our main school page **@WatersidePA**

Maths - From this week onwards, I will be asking you to follow the **BBC Bitesize** Maths lessons which I will be following up with complimentary **MyMaths** tasks (These will be available until Sunday 17th May 2020.)

Year 3: Money

Year 4: Multiplying

Keep going with your **Times Tables Rock Star** challenges. Let's try and beat Wye and Misbourne!

English - This week we will be working through some fun **Talk 4 Writing** packs which should lead to some great pieces of work. It is entirely up to you if you wish to print this off or download and work directly off the computer/tablet into your books.

Year 3: *The Truth about Trolls* <https://www.talk4writing.co.uk/wp-content/uploads/2020/04/Y3-Unit.pdf>

Year 4: *The King of Fishes* <https://www.talk4writing.co.uk/wp-content/uploads/2020/04/Y4-Unit.pdf>

Do post your work on our Twitter page.

BBC Bitesize - These are fun, accessible lessons and can be found each day from 9:30am using the red button or can be found on BBC iPlayer <https://www.bbc.co.uk/bitesize/dailylessons> . Click on to your year group then find that day's lessons. If you find any of this too hard, don't be afraid to go to a younger year group. It is much more sensible to plug holes and consolidate previous learning, as you will feel more confident moving forwards, than struggling with something you don't properly understand.

Monday 4th May 2020

BANK HOLIDAY – VE DAY CELEBRATIONS

(optional)

There are some fun activities to do at home about VE Day from Bletchley Park

<https://bletchleypark.org.uk/learn/resources/ve-day-learning-resources>

(NB: Why was Bletchley Park important during WWII?)

If you do have a go at the recipes or learn one of the songs, do post your efforts/results on our Twitter page.

Happy learning
Mrs. Heritage
