**BBC Bitesize** - These are fun, accessible lessons and can be found each day from 9:30am using the red button or can be found on BBC iPlayer <https://www.bbc.co.uk/bitesize/dailylessons> . Click on to your year group then find that day's lessons. If you find any of this too hard, don't be afraid to go to a younger year group. It is much more sensible to plug holes and consolidate previous learning, as you will feel more confident moving forwards, than struggling with something you don't properly understand.
