

Home Learning – Misbourne Class

Week Commencing Monday 13th July 2020

Maths

Year 4 - Please look at the Maths tasks, set by Mrs Heritage, on the Chess class home-learning page.

Year 5 - Please visit the Oak National Academy website which has a weekly schedule of lessons for Maths, English and foundation subjects throughout the week. The concepts for this week's Maths lessons are building on prior learning and then extending knowledge. The lessons this week are focused on problem-solving.

I would also like to see each child logging in and playing on Rock Star Times Tables for at least 20 minutes per day - there is a Rock Battle between everyone in the school so you could be top of!

English

I would like each child to visit the BBC Bitesize website and complete the daily English lessons that have been set each day. There are activities set based on an engaging text but if you feel that your child may be getting confused by the text or activities then please feel free to let them have a go at another year group's English tasks where you feel they are more engaged and able to understand better!

The Year 5 schedule for this week is:

Monday - Reading comprehension.

Tuesday - Reading comprehension.

Wednesday - Identifying key features.

Thursday - SPaG focus.

Friday - Using key features to order writing.

I would also like each child to look at the Talk for Writing website. The website includes an engaging text for the children to follow and then writing tasks related to the text. The website can be accessed here: <https://www.talk4writing.com/home-school-units/>
