

Year 6 Wye Class – Home Learning W/C 4th May 2020

Dear Parents / Guardians,

Please see below the following home-learning tasks for the week commencing 4th May 2020. Thank you again for all your great efforts in the work being completed at home. I have really enjoyed seeing your updates on social media and have been particularly impressed with work created on the 'Talk 4 Writing' story unit. It was also a delight to speak to majority of you on the phone last week. It was great to hear how you were all doing and how upbeat you were keeping – it really did make my week. I also hope you have seen the great news that your leavers t-shirts have now been ordered (the design now on our class twitter page) which I am sure you agree look amazing! A huge thank you to our amazing PTA for funding these and Mr Atherton who was chief design editor. Although we are still unsure when or if the children will be returning to school, we will ensure these are handed out to all children when available. Thank you again for all your incredible efforts.

Class Twitter Page – Please follow our Class Page **@Wye_WPA** and our main school page **@WatersidePA**. The engagement on this is increasing extra week and is great to keep the interaction between all of us!

Morning Exercise – We highly recommend getting up and getting active in the mornings before starting your work. Getting involved in online classes e.g. the morning Joe Wicks LIVE workout on YouTube or doing your own home exercises. You could also mix this in with a morning yoga session or doing your own creative version of the morning mile! Again, we would love to see how you are keeping fit so please do share with us on our Class Twitter page.

Talk 4 Writing (The City of Silence) – This week you will be working through a writing pack which will lead you up to writing your own poems. This pack will be uploaded to the home learning page on the school's website as before. I was so impressed with your efforts in last week's Talk 4 Writing and it was great to see your writing sent into our class twitter page. I look forward to seeing your poem creations this week!

Oak National Academy Website – This week I have assigned some lessons from the Oak National Academy Website which are online lessons made and hosted by actual teachers. These have had great reviews from users. This week I have assigned a sequence of Maths lessons (Missing Angles & Lengths) and a sequence of English lessons (Setting Description). I have also assigned two history lessons based on World War 2. The lessons can be accessed via this link <https://www.thenational.academy/online-classroom/year-6#schedule> These lessons will fall under the 'Week 3' schedule of lessons. Feel free to have a look at any other lessons from the previous 2 weeks if you wish.

MyMaths - This week I have assigned Maths work from the Oak National Academy website but have assigned 2 Mixed Practice Paper tasks for added revision if required. This can be accessed anytime this week on the MyMaths website.

Pig Heart Boy – I am sure you will agree that this book has got us hooked already! I will be reading a chapter daily on our Twitter page. So make sure you check it out and listen to this gripping story with me!

Monday 4th May 2020
