

Year 3/4 Chess Home Learning for the Week Beginning 13th July 2020

Dear Parents/Guardians, please see below the home-learning tasks for the w/c 13th July 2020.

The end of term is practically upon us and I hope you are all still keeping safe and well. As this is the last home learning pack before we break up for the summer, it is also the time to say farewell.

No doubt you will have read by now that I am leaving at the end of term. Shockingly (for me anyway,) I am now old enough to be contemplating semi-retirement (Eek! - Where on Earth did the time go?) I will still be expecting to do bits and pieces here and there for a few years more however, I have now decided to step back from full-time teaching. It has been an eventful year in every respect, and I will miss you. I am also really sad that this pandemic means I won't have the chance to say a proper goodbye to everyone. So, I wish you all every success as you move up to your new year groups – enjoy your new teachers, continue to strive to do your very best and I am sure you will go from strength to strength during your time at Waterside.

All my best wishes
Mrs Heritage

Class Twitter Page – If you are not back in the classroom, do keep staying in touch with us and posting your work on our class twitter page: **@Chess_WPA** and our main school page **@WatersidePA**. We would all love to know how you are what you are up to.

Maths - Please follow the **BBC Bitesize** Maths lessons <https://www.bbc.co.uk/bitesize/dailylessons> and the **MyMaths** tasks

Year 3: Capacity and Statistics

Year 4: Symmetry and Co-ordinates

Keep going with your **Times Tables Rock Star** challenges. Many of you have been doing really well, well done.

English - Year 4 there is a new **Talk 4 Writing** booklet: *Goblinology*. Link:
