

# Home Learning – Misbourne Class

Week Commencing Monday 18<sup>th</sup> May 2020

## Maths

Year 4 - Please look at the Maths tasks, set by Mrs Heritage, on the Chess class home-learning page.

Year 5 - Please visit the Oak National Academy website which has a weekly schedule of lessons for Maths, English and foundation subjects throughout the week. The concepts for this week's Maths lessons are building on prior learning and then extending knowledge. The learning for this week is focussed on volume.

There are also MyMaths tasks set for this week which include revision of Year 4 objectives as well as recapping the lessons from the Oak Academy. Please try your best and do not worry if you find some of the tasks a bit tricky!

I would also like to see each child logging in and playing on Rock Star Times Tables. We are in a rock star battle with Wye class this week - let's get the best score out of all of the classes for the third week in a row!

## English

I would like each child to visit the BBC Bitesize website and complete the daily English lessons that have been set each day. There are activities set based on an engaging text but if you feel that your child may be getting confused by the text or activities then please feel free to let them have a go at another year group's English tasks where you feel they are more engaged and able to understand better!

## Foundation subjects

On both the Oak National Academy website and BBC Bitesize, they are setting a variety of lessons each day based on the foundation subjects. Please look at the websites and allow your child to choose one of either activity that they feel interests them more!

## Creative tasks

1) Try to carry out a random act of kindness for each day of the week. This could include going over and above to help someone in your household or even making something for a relative or neighbour - I am looking forward to seeing what ideas you come up with!

2) Create a poster, reminding everyone of the importance of hygiene in school (washing hands, sneezing into elbow etc), so they can be hung up in the classroom, ready for our return to class!

Please continue to tweet @Misbourne\_WPA with any work or activities that you are getting up to. Unfortunately, I am still unable to tweet, like or retweet on the class twitter page but I am still able to see all of the tweets so please keep them coming!

## Reading

I have attached a link to a recommended reading list for both Year 4's and Year 5's below, should you wish to find a new book to read:

## Home Learning – Misbourne Class

Week Commencing Monday 18<sup>th</sup> May 2020

Year 4 - <https://schoolreadinglist.co.uk/reading-lists-for-ks2-school-pupils/suggested-reading-list-for-year-4-pupils-ks2-age-8-9/>

Year 5 - [https://schoolreadinglist.co.uk/reading-lists-for-ks2-school-pupils/suggested-reading-list-for-year-5-pupils-ks2-age-9-10](https://schoolreadinglist.co.uk/reading-lists-for-ks2-school-pupils/suggested-reading-list-for-year-5-pupils-ks2-age-9-10/)

Please continue to keep safe and I hope to see you all again soon!

Mr S and Mrs Trigg
