

Home Learning – 27th April 2020

Misbourne Class

Maths

Please visit the Oak National Academy website which has a weekly schedule of lessons for Maths, English and foundation subjects throughout the week. The concepts for this week's Maths lessons are building on prior learning and then extending knowledge. There will also be MyMaths tasks set for this week although these will only be focussed on recapping prior learning, with future MyMaths tasks being set to compliment the lessons from the previous week of the Oak National Academy.

I would also like to see each child logging in and playing on Rock Star Times Tables - we were so close to beating Wye class this week that I have challenged them to a rematch!

English

I would like each child to visit the BBC Bitesize website and complete the daily English lessons that have been set each day. There are activities set based on an engaging text but if you feel that your child may be getting confused by the text or activities then please feel free to let them have a go at another year group's English tasks where you feel they are more engaged and able to understand better!

Foundation subjects

On both the Oak National Academy website and BBC Bitesize, they are setting a variety of lessons each day based on the foundation subjects. Please look at the websites and allow your child to choose one of either activity that they feel interests them more!

Creative tasks

1) I'm setting the children a bit of a throwback task to start with - I would like the children to visit the Sporcle website and find the quiz titled 'Counties of England'. I would like each child to try and remember our work on the counties of England and complete the quiz once per day to see if their score improves throughout the week!

2) In preparation for returning to school (date TBC), I would like each child to design an invention to help Mrs Trigg and I in the classroom. Ideas could range from a robot that scans children's uniform to check that shirts are tucked in to an alarm system that goes off if anyone tries to underline their date and LO in pen. Think about what Mr S and Mrs Trigg would benefit most from!

Please continue to tweet @Misbourne_WPA with any work or activities that you are getting up to. I have loved seeing all of your fantastic work this week and interacting with you so please keep it up!

Please continue to keep safe and look forward to seeing you again shortly!

Mr S and Mrs Trigg
