

## Home Learning – Misbourne Class

Week Commencing Monday 15<sup>th</sup> June 2020

### Maths

Year 4 - Please look at the Maths tasks, set by Mrs Heritage, on the Chess class home-learning page.

Year 5 - Please visit the Oak National Academy website which has a weekly schedule of lessons for Maths, English and foundation subjects throughout the week. The concepts for this week's Maths lessons are building on prior learning and then extending knowledge. The schedule for this week is:

**Monday - Exploring strategies to multiply decimals.**

**Tuesday - Solving problems involving decimal numbers.**

**Wednesday - Multiplying a whole number using long multiplication.**

**Thursday - Multiplying a whole number using long multiplication.**

**Friday - Solving problems involving prime numbers using long multiplication.**

I would also like to see each child logging in and playing on Rock Star Times Tables. We are in a rock star battle with Chess class this week - let's continue our winning streak!

### English

I would like each child to visit the BBC Bitesize website and complete the daily English lessons that have been set each day. There are activities set based on an engaging text but if you feel that your child may be getting confused by the text or activities then please feel free to let them have a go at another year group's English tasks where you feel they are more engaged and able to understand better!

I would also like each child to look at the Talk for Writing website. The website includes an engaging text for the children to follow and then writing tasks related to the text. The website can be accessed here: <https://www.talk4writing.com/home-school-units/>

Year 4 - Mission Possible

**Monday - Pages 2-7**

**Tuesday - Pages 8-10**

**Wednesday - Pages 11-16**

**Thursday - Pages 17-20**

**Friday - Pages 21-24**

Year 5 - One Chance

**Monday - Pages 2-4**

**Tuesday - Pages 5-9**

**Wednesday - Pages 10-13**

## Home Learning – Misbourne Class

Week Commencing Monday 15<sup>th</sup> June 2020

**Thursday - Pages 14-17**

**Friday - Pages 18-21**

### **Foundation subjects**

On both the Oak National Academy website and BBC Bitesize, they are setting a variety of lessons each day based on the foundation subjects. Please look at the websites and allow your child to choose one of either activity that they feel interests them more!

### **Creative task**

If you are going out for walks, keep an eye out for any animals that you see on your walks. If you do see any animals on your walk, research that animal and create a fact file for it! Think about what it eats, where it can be found in the world, what type of vertebrate (mammal, amphibian, fish, reptile or bird) or invertebrate it is, how long it is generally lives for and any other interesting facts you can find out!

Please continue to tweet @Misbourne\_WPA with any work or activities that you are getting up to. I am looking forward to seeing everyone's work!

### **Reading**

I have attached a link to a recommended reading list for both Year 4's and Year 5's below, should you wish to find a new book to read:

Year 4 - <https://schoolreadinglist.co.uk/reading-lists-for-ks2-school-pupils/suggested-reading-list-for-year-4-pupils-ks2-age-8-9/>

Year 5 - [https://schoolreadinglist.co.uk/reading-lists-for-ks2-school-pupils/suggested-reading-list-for-year-5-pupils-ks2-age-9-10](https://schoolreadinglist.co.uk/reading-lists-for-ks2-school-pupils/suggested-reading-list-for-year-5-pupils-ks2-age-9-10/)

Please continue to keep safe and we hope to see you all again soon!

*Mr S and Mrs Trigg*
