

Year 4/5 Misbourne Home Learning for the Week Beginning 11th May 2020

Maths

Year 4 - Please look at the Maths tasks, set by Mrs Heritage, on the Chess class home-learning page.

Year 5 - Please visit the Oak National Academy website which has a weekly schedule of lessons for Maths, English and foundation subjects throughout the week. The concepts for this week's Maths lessons are building on prior learning and then extending knowledge. The schedule for this week is:

- Monday - Converting between miles and kilometres
- Tuesday - Converting between grams, kilograms and tonnes
- Wednesday - Converting between pounds (lbs) and kilograms
- Thursday - Converting using problem-solving
- Friday - Consolidating learning

There are also MyMaths tasks set for this week which include revision of Year 4 objectives as well as recapping the lessons from the Oak Academy. Please try your best and do not worry if you find some of the tasks a bit tricky!

I would also like to see each child logging in and playing on Rock Star Times Tables. We are in a rock star battle with Chess class this week - we were the best-scoring class last week so keep it up!

English

I would like each child to visit the BBC Bitesize website and complete the daily English lessons that have been set each day. There are activities set based on an engaging text but if you feel that your child may be getting confused by the text or activities then please feel free to let them have a go at another year group's English tasks where you feel they are more engaged and able to understand better!

I would also like each child to look at the Talk for Writing website and produce a piece of written work. The website includes an engaging text for the children to follow and then writing tasks related to the text. The website can be accessed here: <https://mailchi.mp/talk4writing/home-school-bookletss>

Year 4 - King of the Fishes

Complete the rest of the booklet, planning and then writing your own story!

Year 5 - The Game

Complete the rest of the booklet, planning and then writing your own story!

Foundation subjects

On both the Oak National Academy website and BBC Bitesize, they are setting a variety of lessons each day based on the foundation subjects. Please look at the websites and allow your child to choose one of either activity that they feel interests them more!

Creative tasks

Create your own exercise routine - this could include props from around the house or just using your own body such as star jumps/press ups/sit ups. This could be presented in a poster form or even video form - I'm looking forward to seeing all of your fitness sessions!

Please continue to tweet @Misbourne_WPA with any work or activities that you are getting up to. Unfortunately, I am unable to tweet, like or retweet on the class twitter page at the moment but I am still able to see all of the tweets so please keep them coming!

Reading

I have attached a link to a recommended reading list for both Year 4's and Year 5's below, should you wish to find a new book to read:

Year 4 - <https://schoolreadinglist.co.uk/reading-lists-for-ks2-school-pupils/suggested-reading-list-for-year-4-pupils-ks2-age-8-9/>

Year 5 - <https://schoolreadinglist.co.uk/reading-lists-for-ks2-school-pupils/suggested-reading-list-for-year-5-pupils-ks2-age-9-10>

Please continue to keep safe and I hope to see you all again soon!

Mr S and Mrs Trigg
