

## Home Learning – 4/5 Misbourne

1<sup>st</sup> May 2020

### Maths

Year 4 - Please look at the Maths tasks, set by Mrs Heritage, on the Chess class home-learning page.

Year 5 - Please visit the Oak National Academy website which has a weekly schedule of lessons for Maths, English and foundation subjects throughout the week. The concepts for this week's Maths lessons are building on prior learning and then extending knowledge. The schedule for this week is:

Monday - Solving measurement problems

Tuesday - Converting between units of time

Wednesday - Converting between metric units of length

Thursday - Converting between metric units of length

Friday - Converting between units of length in the context of perimeter

There are also MyMaths tasks set for this week which include revision of Year 4 objectives as well as recapping the lessons from the Oak Academy. Please try your best and do not worry if you find some of the tasks a bit tricky!

I would also like to see each child logging in and playing on Rock Star Times Tables. We are in a rock star battle with Gade class this week - let's get back to our previous winning form!

### English

I would like each child to visit the BBC Bitesize website and complete the daily English lessons that have been set each day. There are activities set based on an engaging text but if you feel that your child may be getting confused by the text or activities then please feel free to let them have a go at another year group's English tasks where you feel they are more engaged and able to understand better!

I would also like each child to look at the Talk for Writing website and produce a piece of written work. The website includes an engaging text for the children to follow and then writing tasks related to the text. The website can be accessed here: <https://mailchi.mp/talk4writing/home-school-booklets>

Year 4 - King of the Fishes

Monday - Pages 3-6

Tuesday - Pages 7-9

Wednesday - Pages 10-11

Thursday - Pages 12-13

Friday - Pages 14-18

Year 5 - The Game

## Home Learning – 4/5 Misbourne

**1<sup>st</sup> May 2020**

Monday - Pages 4-9

Tuesday - Pages 10-13

Wednesday - Pages 14-16

Thursday - Pages 17-20

Friday - Pages 21-24

### **Foundation subjects**

On both the Oak National Academy website and BBC Bitesize, they are setting a variety of lessons each day based on the foundation subjects. Please look at the websites and allow your child to choose one of either activity that they feel interests them more!

### **Creative tasks**

1) I will be setting another Geography-based task this week - I would like each child to try and write down as many countries of Europe as they can and see how many they can remember. Spellings do not have to be perfect but I would like to see capital letters for the name of each country as they are PROPER WICKED (wiggling your fingers as you say 'proper wicked' to them should hopefully remind them of using capital letters although you may get an eye roll in return!) Any countries that have been missed can be looked up after and another attempt can be made the next day to see if they can beat their previous score!

2) I would like each child to design their own playground for school with labels for each part of the playground. Think about what you would include in your playground - climbing frames, swings, trampolines or even a swimming pool!

Please continue to tweet @Misbourne\_WPA with any work or activities that you are getting up to. I look forward to see how everyone's fantastic work!

Please continue to keep safe and I hope to see you all again soon!

Mr S and Mrs Trigg
