

Year 6 Wye Class – Home Learning W/C 27th April 2020

Dear Parents/Guardians, please see below the home-learning tasks for the w/c 27th April 2020. Thank you again for all your amazing efforts with your home learning tasks. I have loved seeing your work via our class Twitter page, thank you again for interacting with this. I have loved your work completed based on our current class book of 'Pig Heart Boy' and I have also been kept busy trying to keep up with your #ChallengeMrWaters challenges! I am also seeing how well you are doing with your daily maths work on MyMaths and Times Table Rockstars - keep this up!

Class Twitter Page – Thank you to so many of you who have been interacting with our class page! It has been amazing to see the work you have been doing at home and being able to share this with everyone else. If you are not already following our class Twitter page, I urge you to do this straight away. This is a great tool (especially with our distant learning) to continue the engagement, share work and feel connected. Twitter is free to register on to and you don't have to be active yourself other than following and engaging with our class page. Please follow our Class Page **@Wye_WPA** and our main school page **@WatersidePA**

Morning Exercise – We highly recommend getting up and getting active in the mornings before starting your work. Getting involved in online classes e.g. the morning Joe Wicks LIVE workout on YouTube or doing your own home exercises. You could also mix this in with a morning yoga session or doing your own creative version of the morning mile! Again, we would love to see how you are keeping fit so please do share with us on our Class Twitter page.

Talk 4 Writing (Doors – the world of possibility) – This week you will be working through a writing pack which will lead you up to writing your own story. The pack will be uploaded and accessible on the Home-Learning section on the school website for you to download. I am excited to see your final stories!

BBC Bitesize Lessons – From the feedback last week and looking at the lessons myself, I have assigned you to complete some of the BBC Bitesize lessons this week for History, Geography, Science, RE and Music. They are really interactive lessons that I know you will really enjoy! Do feel free to also complete the daily English and Maths sessions if you wish as good revision. You can access the lessons here <https://www.bbc.co.uk/bitesize/dailylessons>

Pig Heart Boy – I am sure you will agree that this book has got us hooked already! I will be reading a chapter daily on our Twitter page. So make sure you check it out and listen to this gripping story with me!
