

Year 3/4 Chess Home Learning for the Week Beginning 29th June 2020

Dear Parents/Guardians, please see below the home-learning tasks for the w/c 29th June 2020.

It has been lovely to see some of you all back in the classroom. We are all having to adjust to the new layout and routines which is still a little strange and not quite automatic, so a few friendly reminders needed still but we are getting there, and it is great to be able to catch up with everyone. We are thinking of those of you who are still at home and very much hope you are keeping well and look forward to seeing you all again in due course.

Class Twitter Page – If you are not back in the classroom, do keep staying in touch with us and posting your work on our class twitter page: **@Chess_WPA** and our main school page **@WatersidePA**. We would all love to know how you are what you are up to.

Maths - Please follow the **BBC Bitesize** Maths lessons <https://www.bbc.co.uk/bitesize/dailylessons> and the **MyMaths** tasks (These will be available until Sunday 12th July 2020.)

Year 3: Mass

Year 4: Angles & shape

Keep going with your **Times Tables Rock Star** challenges. Many of you have been doing really well, well done.

English - Year 4 there is a new **Talk 4 Writing** booklet: *The Impossibly Possible Bookshop*. Link:

<https://www.talk4writing.com/wp-content/uploads/2020/06/Y4-Impossibly-Possible.pdf>

Year 3: Please follow the sessions on BBC Bitesize

Project (Cont.) – From now and until the end of term I would like you to research the Kings and Queens of England/ the UK from 1066 to the present day. I have attached a link on the school website to a timeline I made for you to cut out and stick together. All the information you need is on the home learning sheet for 5th June.

Creative Task – Now that football is back, I have some football themed tasks for you.

1. Create your dream team – using any players in the world, who would be your best 11?

What would your team be called?

2. Design a home and away strip for them – keep your designs bold and simple.

3. Design a football ground for them. What would you name it? – Remember to include changing rooms, baths, showers, physio room, toilets (for players and public), function suites, stands, pitch... Where would you place your scoreboards, floodlights, TV/Media stand?

Suggested schedule for this week:

Monday 29th June 2020
