

## Year 6 Home-Learning Tasks – W/C 29<sup>th</sup> June 2020

**Class Twitter Page** – Please follow our Class Page **@Wye\_WPA** and our main school page **@WatersidePA** . The engagement on this is increasing extra week and is great to keep the interaction between all of us!

**Morning Exercise** – We highly recommend getting up and getting active in the mornings before starting your work. Getting involved in online classes e.g. the morning Joe Wicks LIVE workout on YouTube or doing your own home exercises. You could also mix this in with a morning yoga session or doing your own creative version of the morning mile! Again, we would love to see how you are keeping fit so please do share with us on our Class Twitter page.

**Talk 4 Writing Unit** – This week you will be continuing working through the Talk 4 Writing Unit called ‘Monsters’ from last week. You can find this Year 6 unit via this website link and the activities to complete are stated in the days below. <https://www.talk4writing.com/home-school-units/>

**MyMaths** - This week I have assigned 10 tasks for you to complete. Please complete 2 of the maths activities each day. You can choose the order in which you complete them. I will be monitoring that you are completing them!

**Secondary School Tasks** – This week I have given you 2 important Secondary School Transition Tasks to complete. These will be essential to get you fully prepared for your first day. This week you will do a test run of your journey to your Secondary School and also creating your own morning timetable. Details of the tasks are below.

### Monday 29<sup>th</sup> June 2020

**Maths (MyMaths)** – 10 Tasks have been assigned for you. Complete 2 each day.

**Secondary Transition – Morning Routine Planner.** I want you to make your own morning timetable all the way from waking up to walking through the doors of your secondary school. This is something you have probably not thought about in great detail but will be essential to get right so that you start secondary school on the right footing! Think about factoring in breakfast, showering, brushing teeth, getting ready and any other things you need to get done in the morning. Speak with your parents/guardians about what time you need to leave the house, times of buses etc. so you are giving yourself plenty of time. Organisation is going to be a key to success at secondary! You can be creative with how your timetable looks and I'd love for you to share them with me on our class Twitter page!

**Daily Reading** – (Accelerated Reader Book Quiz if required)
