

## Home Learning – Misbourne Class

Week Commencing Monday 29<sup>th</sup> June 2020

### Maths

Year 4 - Please look at the Maths tasks, set by Mrs Heritage, on the Chess class home-learning page.

Year 5 - Please visit the Oak National Academy website which has a weekly schedule of lessons for Maths, English and foundation subjects throughout the week. The concepts for this week's Maths lessons are building on prior learning and then extending knowledge. The schedule for this week is:

**Monday - Revision of 2D and 3D shapes.**

**Tuesday - Identifying, classifying and describing 3D shapes based on their properties.**

**Wednesday - Recognising 2D representations of 3D shapes.**

**Thursday - Recognising, describing and building 3D shapes.**

**Friday - Illustrating and naming parts of circles.**

I would also like to see each child logging in and playing on Rock Star Times Tables for at least 20 minutes per day.

### English

I would like each child to visit the BBC Bitesize website and complete the daily English lessons that have been set each day. There are activities set based on an engaging text but if you feel that your child may be getting confused by the text or activities then please feel free to let them have a go at another year group's English tasks where you feel they are more engaged and able to understand better!

The Year 5 schedule for this week is:

**Monday - Reading comprehension.**

**Tuesday - Reading comprehension.**

**Wednesday - Identifying key features.**

**Thursday - SPaG focus.**

**Friday - Using key features to order writing.**

### Foundation subjects

On both the Oak National Academy website and BBC Bitesize, they are setting a variety of lessons each day based on the foundation subjects. Please look at the websites and allow your child to choose one of either activity that they feel interests them more!

### Reading

## Home Learning – Misbourne Class

Week Commencing Monday 29<sup>th</sup> June 2020

I have attached a link to a recommended reading list for both Year 4's and Year 5's below, should you wish to find a new book to read:
