

Year 6 Wye Class – Home Learning W/C 22nd June 2020

Dear Parents/Guardians,

I hope you have had, as always, a safe and enjoyable week. It has been delightful to welcome back some of our Year 6's back to school who have all been complete role-models whilst in; adhering to the different rules and set-up which we find ourselves in. I also look forward to welcoming back more of our children next week as begin to merge our two 'bubbles' together.

This means that roughly half of our class will now be attending school and half will not. I have tried to mirror as best as possible the Maths and English learning (Talk 4 Writing – Monsters Pack) that will be happening in both school and for home-learning. For maths I have set 10 tasks for each child, aimed at specific areas for that child. Please complete 2 tasks a day and you can complete these in any order you wish.

I completely understand how for some people, keeping the routine going at home can be a challenge. That is why I am urging all of Year 6 to really push themselves with their learning if you are in school or learning from home for the last 4 weeks of the academic year. I will be checking MyMaths and Times Table Rockstars daily to see which children have been completing these.

It is always great to also see how you are getting on with your work if you are working from home. So please do make a special effort to try and share with me some of your work via our class Twitter page. It really does make my day!

Thank you again for all your on-going support as always. Have a fantastic week!

Mr Waters

Class Twitter Page – Please follow our Class Page **@Wye_WPA** and our main school page **@WatersidePA** . The engagement on this is increasing extra week and is great to keep the interaction between all of us!

Morning Exercise – We highly recommend getting up and getting active in the mornings before starting your work. Getting involved in online classes e.g. the morning Joe Wicks LIVE workout on YouTube or doing your own home exercises. You could also mix this in with a morning yoga session or doing your own creative version of the morning mile! Again, we would love to see how you are keeping fit so please do share with us on our Class Twitter page.

Talk 4 Writing Unit – This week you will be working through the Talk 4 Writing Unit called ‘Monsters’. You can find this Year 6 unit via this website link and the activities to complete are stated in the days below. <https://www.talk4writing.com/home-school-units/>

Watford FC Community Trust – Positive Minds Course – This will continue with the next sessions leading on from last week. Information for these will be added onto the Home-Learning page on the school’s website.

MyMaths - This week I have assigned 10 tasks for you to complete. Please complete 2 of the maths activities each day. You can choose the order in which you complete them. I will be monitoring that you are completing them!

Monday 22nd June 2020

Maths (MyMaths) – 10 Tasks have been assigned for you. Complete 2 each day.

Maths (Times Table Rockstar Website) – 2 Garage Sessions / Boys Vs Girls Competition

English (Talk 4 Writing – Monsters) – Activity 1 – Swamp Monsters Text / Match the vocabulary to its definition & Activity 2 – Underlying pattern of information texts

Watford FC Community Trust / Well-Being – Information on the home-learning page on the school website. Introduction Video / Week 6 Worksheet
